#### Step 5 Scroll down and click on the open tool to get the feature code for creating an IBM cloud account and click ok on the popup message to proceed to the next page:

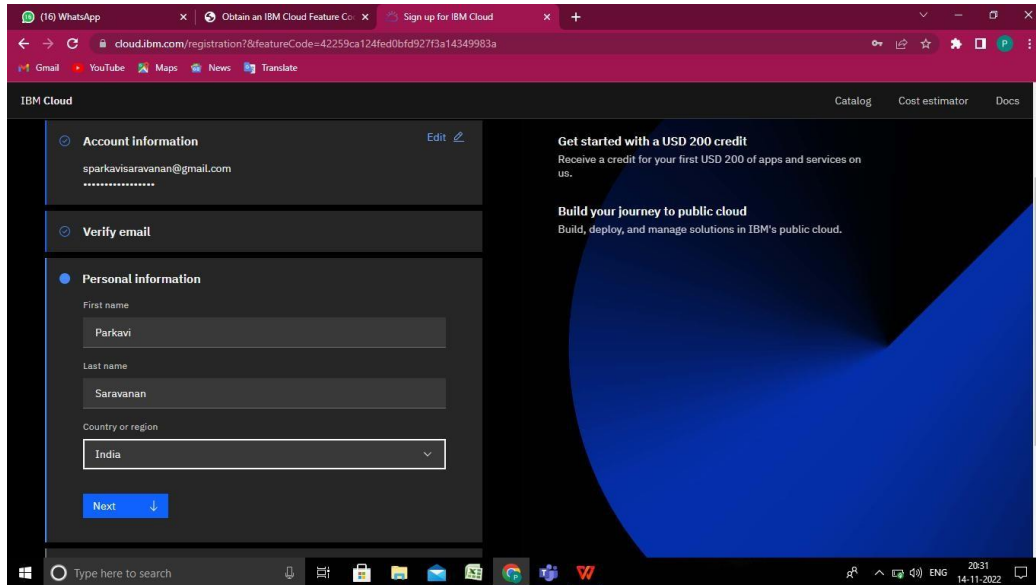

courses.ictacademy.skillsnetwork.site says

Click OK to have your username and e-mail address sent to a 3rd party application.

Click Cancel to return to this page without sending your information.

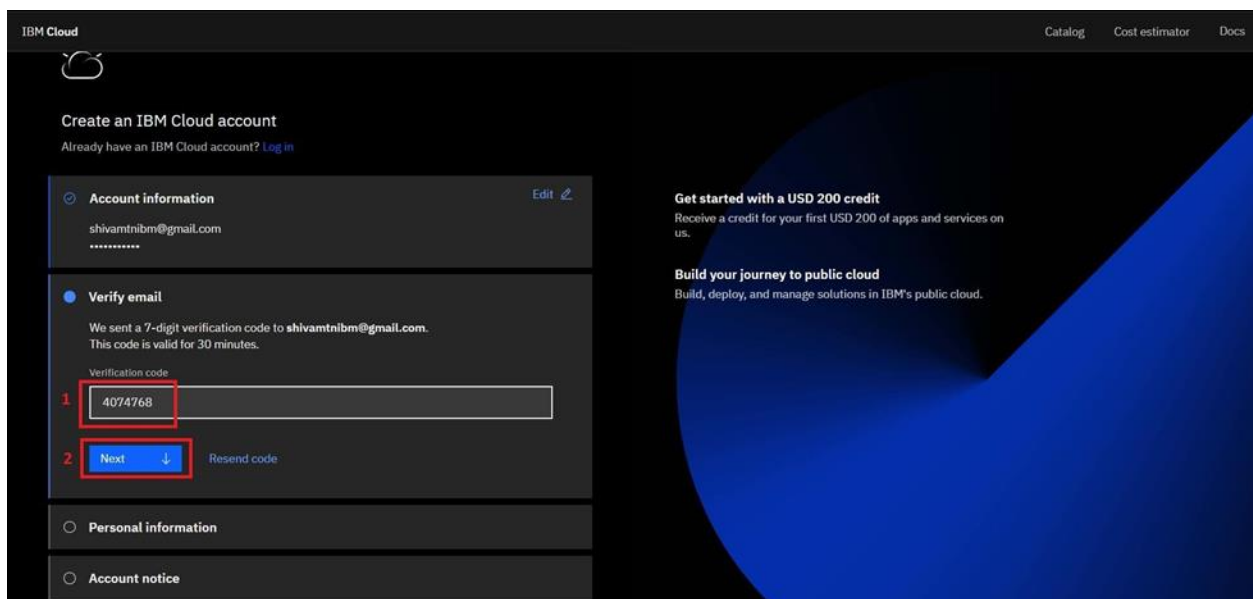

**Step 6 Provide the same credentials that is email id & password used for ICT Academy account creation and click on next to get the OTP on the registered email id:**

The screenshot shows the IBM Cloud registration page in a web browser. The page has a dark theme with blue accents. On the left, there's a sidebar with three steps: 'Account information' (completed), 'Verify email' (completed), and 'Personal Information' (active). The 'Personal Information' section contains fields for 'First name' (Parkavi), 'Last name' (Saravanan), and 'Country or region' (India). A blue 'Next' button with a downward arrow is at the bottom of this section. On the right, there's a large blue graphic with white text that reads: 'Get started with a USD 200 credit. Receive a credit for your first USD 200 of apps and services on us. Build your journey to public cloud. Build, deploy, and manage solutions in IBM's public cloud.' The browser's address bar shows the URL: cloud.ibm.com/registration?&featureCode=42259ca124fed0bfd927f3a14349983a. The Windows taskbar is visible at the bottom.

**Step 7 Provide the received OTP on the registered email id and click on next:**

The screenshot shows the IBM Cloud registration page, now at the 'Verify email' step. The sidebar on the left shows 'Personal Information' as completed and 'Verify email' as the active step. The main content area shows a message: 'We sent a 7-digit verification code to shivamtnibm@gmail.com. This code is valid for 30 minutes.' Below this, there's a 'Verification code' field with the number '4074768' entered. A red box highlights the 'Next' button with a downward arrow, and another red box highlights the 'Resend code' link. The 'Account information' and 'Account notice' sections are visible at the bottom of the sidebar. The right side of the page features the same blue graphic and text as in the previous screenshot. The browser's address bar and Windows taskbar are also visible.

## Step-8 Provide personal information and click on next:

The screenshot shows the IBM Cloud registration page in a web browser. The browser's address bar displays the URL: `cloud.ibm.com/registration?&featureCode=42259ca124fed0bfd927f3a14349983a`. The page has a dark theme with a blue sidebar on the left and a main content area on the right. The sidebar contains four sections: 'Account information' (with email `sparkavisaravanan@gmail.com`), 'Verify email', 'Personal information' (with name 'Parkavi Saravanan' and country 'India'), and 'Account notice'. The 'Account notice' section includes a checkbox for 'by email' which is checked, and a paragraph about withdrawing marketing consent. The main content area on the right has a blue background with white text that reads: 'Get started with a USD 200 credit. Receive a credit for your first USD 200 of apps and services on us.' and 'Build your journey to public cloud. Build, deploy, and manage solutions in IBM's public cloud.'

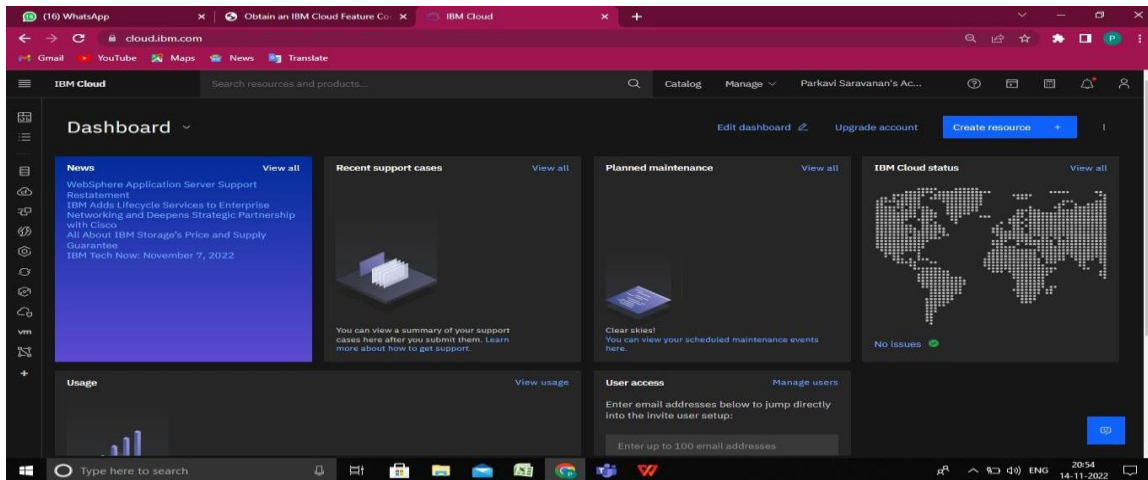

## Step 9 Accept the terms and conditions then click on continue:

This screenshot shows the same IBM Cloud registration page, but with the 'Account notice' section expanded. The 'Verify email' and 'Personal information' sections are now collapsed. In the 'Account notice' section, the checkbox 'I accept the product Terms and Conditions of this registration form.' is checked and highlighted with a red box and the number '1'. Below this, the 'Continue' button is highlighted with a red box and the number '2'. The main content area on the right remains the same, with the text: 'Build your journey to public cloud. Build, deploy, and manage solutions in IBM's public cloud.'

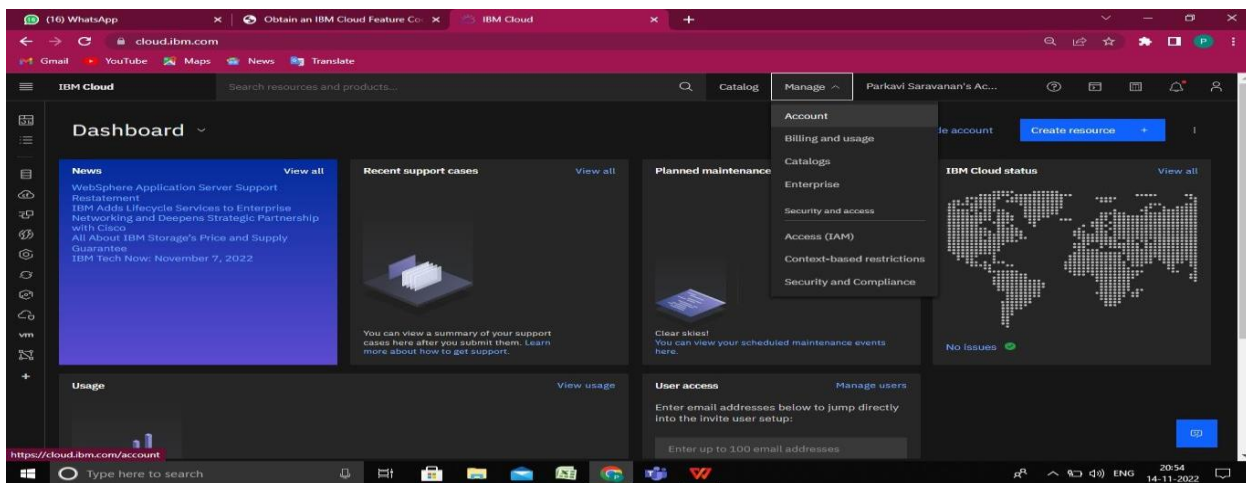

**Step 10 Review account privacy notice mark the checkbox then click on continue:**

**Step 11 Refer to Step-5 to copy the feature code or continue with the filled featurecode then click on create account:**

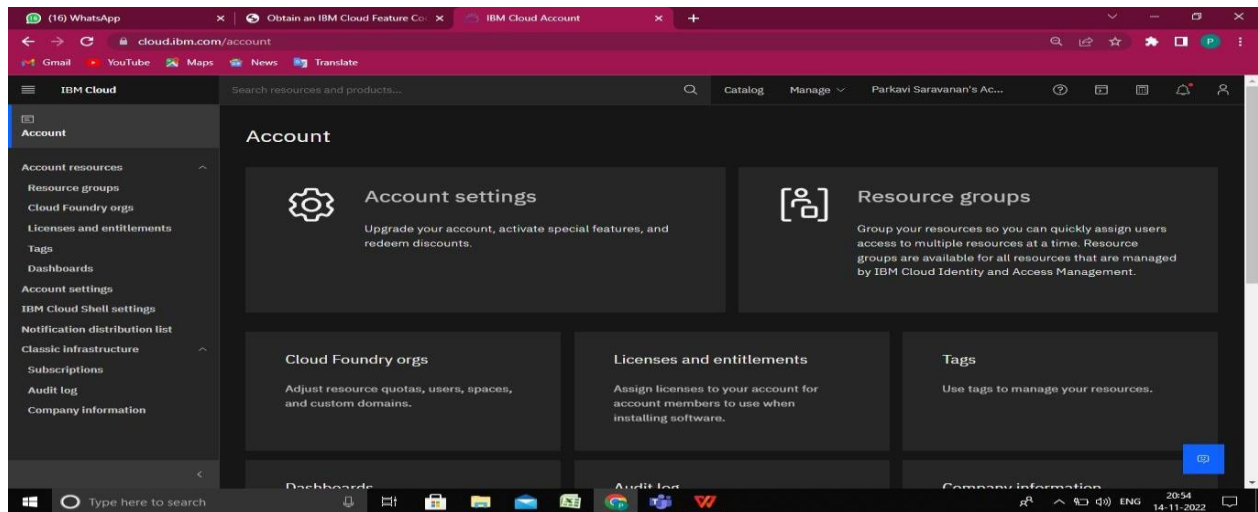

**Step-12 After Successfully creating the account you are redirected to the dashboard page of the IBM Cloud account:**

**Step 13 To check the free trial details click on the manage dropdown from the top navigation bar and click on account:**

**Step 14 Go to Account settings to check Free trial details:**

**Step-15 Good Job! You created 395 Days Free trial account successfully:**
